It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Crossing Ebook By Gary

In my opinion, The Crossing by Gary Paulsen was a very interesting book that really showed the true conflict between the two main characters. The author makes you feel sympathy for the children struggling to survive on their own in Mexico. Manny Bustos is a 14 year old orphan boy who was abandoned from his parents at such a young age.

CROSSING THE THRESHOLD TO YOUR DREAMS I was drawn to the link that lead me to listen to a interview by the author, Gary Spinell. He spoke about the book. At the time I was feeling stuck and he was recommending his book for new insight on the subject. My spirit was drawn to his words so I quickly purchased it.
