So I've decided to write my own manual, The Dangerous Book for Demon Slayers, because no one tells me anything. Dimitri, my "protector," may be one stud of a shape-shifting griffin, but he always thinks he can handle everything by himself. Only he's no match for the soul-stealing succubi taking over Las Vegas.

The Dangerous Book for Demon Slayers (Audiobook) by Angie ... There is so much action and dangerous sequences in the novel the romance takes second place to everything else but I think it more realistic this way. The Dangerous Book for Demon Slayer is

It was exactly what I needed at the time, but don't expect any gravity from this one. As a comedy, though, it succeeds brilliantly and I've heard that the first book in the series is even more entertaining. If you are looking for a light and fun read, look no further than The Dangerous Book for Demon Slayers.
