The Greek Dark Ages was a time period when the Dorians ruled the people who lived scattered across the Greek peninsula. One reason we know so little about this period in history is that the Dorians did not have a written language. The Dorians were not into art or music or literature. The Dorians were into war.

The Dark Age Of Greece

History of Greece: The Dark Ages . During the Dark Ages of Greece the old major settlements were abandoned (with the notable exception of Athens), and the population dropped dramatically in numbers. Within these three hundred years, the people of Greece lived in small groups that moved constantly in accordance with their new pastoral lifestyle and livestock needs, while they left no written ...

Why was the Dark Age of Greece considered dark - Answers

Despite its age (1971), this still remains a good starting point for anyone interested in learning more about the Greek "Dark Age". The basic outline of the history of the period was codified in this book, for better and for worse, and much later literature on the subject draws heavily on Snodgrass's Dark Age of Greece .

The Greek Dark Ages & The Storytellers - Ancient Greece ...

The Dark Ages is a complicated conundrum that continues to fascinate historians to this day. Many people don't know exactly why the Earth grew colder, or why the Black Plague just suddenly appeared in Europe in the 1300s. What we do know is that there was no one factor that we can pin as the cause of the Dark Ages.

The Dark Ages of the Ancient Greeks - About History

Although generally isolated and backward, the Dark Age did see some technological and cultural innovations that would create foundation for future Greek civilisation. People who fled Greece settled on Aegean Islands, coast of Asia Minor, and elsewhere, forming base for prosperous city-states that would develop there.
