The Deeper Dimension of Yoga Quotes Showing 1-1 of 1 “The postures are only the "skin" of yoga. Hidden behind them are the "flesh and blood" of breath control and mental techniques that are still more difficult to learn, as well as moral practices that require a lifetime of consistent application and that correspond to the skeletal structure of the body.

Well there you go, for better or worse, here are eight books I find indispensable to my practice as a yogi and my teachings as an instructor. Although these are many more that I lean on quite a bit, these are the books that are focused on theory and spiritual practice that I feel any yogi looking for more off the mat should at least consider, if not read in their entirety.
