Dinosaur Ed by Susan Schade - Goodreads

The microraptor was a four-winged carnivorous dinosaur with iridescent black feathers. But if our information about this dinosaur comes from fossils, how can we be certain about its color? Len Bloch shows how making sense of the evidence requires careful examination of the fossil and a good understanding of the physics of light and color.

Ed's Dinosaur Park was a scam that appeared in "The Good Ol' Ed." It was seen in a flashback after Edd found a remote control in the time capsule and related this tale to explain the origins of the remote to Ed and Eddy. In the scam, the trio convinced Jonny, Plank and Jimmy to go back to the Triassic period in their time machine. Once their clients were in the machine, Ed took it to the the ...

A running gag is that Ed jinxes the team by predicting good fortune or likely bad outcomes, and is called out for that. He almost always summons Tank, but is the least likely of the three to summon a dinosaur to battle. Name Origin [edit | edit source] "A-Team" was seemingly coined by Ursula in one episode without having heavy usage before or ...
