Hi razorlala and needhelpbadlynow, Thanks for both your reply and sorry for my late response. I actually saw both your straight forward answer reply last night, immediately got a headache and realized I am so screwed from both the vaccine and virus (although my whole family already have been hiding/working from home for around 1 month, except throw rubbish and collect letters downstairs ...

The Discomfort Zone A Personal

Comfort (or being comfortable) is a sense of physical or psychological ease, often characterized as a lack of hardship. Persons who are lacking in comfort are uncomfortable, or experiencing discomfort. A degree of psychological comfort can be achieved by recreating experiences that are associated with pleasant memories, such as engaging in familiar activities, maintaining the presence of ...
