of signal anxiety; she stated that it was "not directly a conflicted instinctual tension but a signal occurring in the ego of an anticipated instinctual tension".

The Ego and the Mechanisms of Defence | Taylor & Francis Group
The theory of the mechanisms of ego defense is covered along with a well written description of adolescent psychology and behavior. Includes case histories illustrating the use of these mechanisms in children. Anna Freud's style, reminiscent of her father's, makes this book appropriate for use as an introductory text.

Defense Mechanisms | Simply Psychology

Ego Defense Mechanisms. According to Freud, we only have two drives; sex and aggression. In other words, everything we do is motivated by one of these two drives. Sex, also called Eros or the Life force, represents our drive to live, prosper, and produce offspring. Aggression, also called Thanatos or our Death force,...
