Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.

PADI 3rd Ed. of The Encyclopedia of Recreational Diving ...
While the Encyclopedia of Recreational Diving is a very informative book, it is not the "heavy" reading that one might expect from a PADI manual. The terminology and concepts covered in this book nicely supplitment what one learns throughout the recreational diving classes -- novice open water dives, advanced techniques, underwater navigation, and rescue techniques.
