Training is an investment
for the future, the only
foundation on which success
can be built. Training
delivers excellence in
product and performance,
elevating a good restaurant
into a great one. Training
will keep the skills of its
employees and management
sharp. But in no other
industry is its absence or
presence as obvious as it is
in the food service
industry.

The Encyclopedia Of Food Service

Restaurant Training is a

complete, ready-to-use
training program for all
positions in the food
service industry. It teaches
how to develop training
programs for food service
employees and how to train
the trainer. There are study
guides and tests for all
positions. Specific
instructions are provided
for using equipment as well.
