...

Membership is not dead as author Sarah Sladek so eloquently argues in The End of Membership As We Know It. But you do need to change your thinking and your models to adapt to the way participation is changing as a result of the generational shifts in the workforce, social changes, and the technology-eased access to content and community.

Must Have Question Of The Next

In her book, The End of Membership as We Know It, Sarah Sladek, makes important points - based on best practices in membership marketing -- that membership professionals should take to heart in order to grow a successful program. Her fundamental thesis is that "three key shifts in our society have caused a decline in membership: economic rescission, demographic shifts, and rapidly changing
