Biblical literature - Exodus and conquest | Britannica
Some critical scholars hold to an Exodus of some sort (certainly on a much more limited scale than that indicated in the Bible) in the 13th century. Albright set the stage for this date with his conquest model and his understanding of the archaeology of the cities. Recent scholarship seems to be denying any sort of Exodus.

Last time we noted in connection with the Chronology of the Exodus that although a very good case can be made based on the Biblical material especially I Kings 6:1 to place the exodus and the conquest on the context of the 15th century date and that this seems to conform very well to the events of the 18th Dynasty specifically the reign of Queen Hhatshepsut as the adopted mother of Moses.

11. The Period Of The Exodus And Conquest | Bible.org
This would place the conquest at or around 1401-1406 B.C. (assuming the exodus was in 1446 B.C.). In the 1920's and 30's it was assumed by most archaeologists working in Israel and the Near East that there was a mass exodus of Israelites from Egypt and a military campaign by the Israelites in the Levant [the land that comprises modern day Israel today] as the Bible states.
