Amazon.com: Customer reviews: The Family Book: Amazing ...

The Family Book is an excellent book that everyone can take a lesson from. The book helps readers acknowledge that everyone and their own families are very different from one another. Personally, I looked at it as the book that tries to help kids recognize people's differences today and be more accepting of them.

The Family: The Secret Fundamentalism at the Heart of ... The Family Book by Todd Parr is a great book for young children to learn about different types of families. Parr talks about two moms or dads, single parent families and different cultures. This book brings a unity to families of the world because no matter what differences families have from each
