Terminology Helitack. The term helitack first appeared in a 1956 Los Angeles Times article, which described the "first of a series of tests—tabbed the Helitack Program—on the use of helicopters in firefighting will start next week in the San Bernardino National Forest". The word itself is a portmanteau of "helicopter" and "attack".. Helibase. The incident helibase is the location from ...

FSP Books - Firefighting, EMS, Police Books, Gifts, and more!

Firefighting is the act of attempting to prevent the spread of and extinguish significant unwanted fires in buildings, vehicles, woodlands, etc. A firefighter suppresses fires to protect lives, property and the environment.. Firefighters typically undergo a high degree of technical training. This involves structural firefighting and wildland firefighting.
