Fishing Deep Water in Winter Fishing in deep water is still probably the most misunderstood type of fishing that bass anglers have to deal with on a regular basis. Deep water can be productive almost any time of year that the bass aren't on the beds, but during the winter is when it can be especially effective.

Fishing Deep Water in Winter - Berkley
Even after being warned about the scary deep waters, Rainbow Fish braves the deep waters to find his sparkling silver scale and along the way finds amazing new friends. The author provides his audience with the idea that even though we face tough things in life, it can bring new and bright things, like new friendships along the way.
