The Freebsd Handbook Administrators Guide

Don't bother with this book it's only 1/2 of what the 2nd edition was!! And you can still get the 2nd edition for \$5.00 with the BSD CD. This is a 2 book deal, i.e. user and andmin and it dose not cover whats in the 2nd edition!!

FreeBSD Handbook

Sun™ recommends that the number of devices used in a RAID-Z configuration be between three and nine. For environments requiring a single pool consisting of 10 disks or more, consider breaking it up into smaller RAID-Z groups. If only two disks are available and redundancy is a requirement, consider using a ZFS mirror.
