The Future of Us by Jay Asher - Goodreads

"The Future of Us," by Jay Asher and Carolyn Mackler, was a book I had high hopes for. Though I'm not familiar with Carolyn Mackler, Jay Asher is the author of "13 Reasons Why," a groundbreaking book on suicide and how even the little things we do, the little way we interact with others can have profound impacts on their lives.

The Future of Us - Jay Asher and... ?

Jay Asher and Carolyn Mackler teamed up to bring us *The Future of Us* in 2011, a futuristic-ish story of time travel, high school drama, friendship, and blossoming romance. Entertainment Weekly called the book a cross between *Back to the Future* and *The Social Network* , and we think they're onto something with that description.

The Future of Us by Jay Asher and Carolyn Mackler by ...

In *The Future of Us*, Emma and Josh experience all sorts of chains and shackles, metaphorically speaking. High school is the culprit: Cool kids rule and everyone else drools, parents monitor their every move, and once they find out what their lives are doing to be like in the future, well, everything just feels that much more high stakes.
