Read

a young widow of two small children who is working through the grief of witnessing the tragic death of her husband in a car accident, as the seed planted in the premise of learning to grow a garden. She then waters the plot with a healthy amount of wit and humor to produce an amazingly entertaining and thought-provoking story.

**Review of The Garden of Small
Beginnings by Abbi Waxman**

The Garden of Small Beginnings is women's fiction with light romantic elements. It's a poignant look at a young widow raising her two equally young daughters, but still grappling with "moving on" four years after her husband's death.
