The Geography of Nowhere, my first non-fiction book on the tragic sprawlscape of cartoon architecture, junked cities, and ravaged countryside where we live and work. I argued that the mess we've made of our everyday environment was not merely the symptom of a troubled culture, but one of the primary causes of our troubles.

The Geography of Nowhere Quotes by James Howard Kunstler

Geography of Nowhere is a trio of tracks built to thump, hammer and crush, all while delivering subtle melodic phrasing and songwriting built for repeat consumption. Much like the bustle of NYC, the Geography of Nowhere is built to appease the short-attention span of it's native residents, delivering a venomous and visceral dance floor onslaught.
