### The Ghost Map - Wikipedia

By turns thought-provoking and irritating, The Ghost Map meanders from its central story -- how an unorthodox physician found the source of a cholera epidemic that swept through London in 1854 -- into a host of other issues. Expecting a more straightforward account of the unraveling of this medical mystery, I set this book aside twice in frustration, bored with the author's tendency to stretch ...

### Steven Johnson: A guided tour of the Ghost Map - YouTube

About The Ghost Map. A National Bestseller, a New York Times Notable Book, and an Entertainment Weekly Best Book of the Year from the author of Unexpected Life "By turns a medical thriller, detective story, and paean to city life, Johnson's account of the outbreak and its modern implications is a true page-turner."The Washington Post

### The ghost map : the story of London's most terrifying ...

In the 1850s, London was the largest city in Europe, and one of the filthiest cities in the world. At a time when the majority of the world lived in rural communities, in London millions of people lived within a few miles of each other—and the city lacked a sanitation system that could deal with millions of people's garbage and waste.
