schooner | Origin and meaning of schooner by Online ...

HMS Sultana (1768) HMS Sultana was a small Royal Navy schooner that patrolled the American coast from 1768 through 1772. Her role was to prevent smuggling and to collect customs duties. She was retired and sold in 1773 when unrest in Britain's American colonies required larger, better armed patrol craft.

The global schooner (2003 edition) | Open Library

Since the 1700s, Schooner sailing vessels have been used for a variety of purposes because they are fast, sleek, adaptable, and considered the sturdiest ships of all time. A crowd gathered in the British North American colony of Gloucester, Massachusetts when shipbuilder Andrew Robinson launched the first schooner sailing vessel in 1713.
