The Governess' Inspection eBook by Tamsin Taite ...

The governess occupied a uniquely awkward position in the Victorian household, because she was neither a servant nor yet a member of the host family. She worked in the upper-class home of the landed gentry or aristocracy. She herself had a middle-class background and education, yet was paid for her services.

The figure of the governess - The British Library

Victorian governess-mania was as pervasive as it was inexplicable, governesses comprising only a tiny fraction of the population and having little or no ostensible effect on the social, political, or economic landscape.

The Governess Inspection A Victorian

The Governess' Inspection: A Victorian Medical BDSM Examination (Virginia's Awakening #2) What she's not prepared for are the humiliating and intrusive questions about her nighttime habits, and the requirement that she give the men a demonstration. And that's only the start of their debauched session... This steamy 7,300 word story contains erotic scenes, spanking, and strong language. It is intended only for mature readers.

Governess during Victorian Era: Their duties & role

Although she's uneasy about the propriety of much of what Dr. Talbot is asking her to do, there's always a sensible explanation for the necessity. And after all, Virginia needs only pass this one final hurdle before she'll begin her new life as a governess, and finally experience the world away from the watchful eye of her spinster great aunt.

Amazon.com: Victorian Governess

Governess during Victorian Era: Their duties & role. The role of a governess is a bit different from a nanny or a babysitter for the matter. The governesses' main concern is teaching the kids of the household and providing them with certain training. Children who have reached school age come under the care of the governess, babies don't.

Tamsin Taite (Author of The Governess' Examination)

The governess was one of the most familiar figures in mid-Victorian life and literature. The 1851 Census revealed that 25,000 women earned their living teaching and caring for other women's children. Most governesses lived with their employers and were paid a small salary on top of their board and lodging.
