Additionally, the governess could not marry if she wanted to keep her position. Her wages were often quite low, or occasionally nonexistent. However, the family she served would at least provide her with room and board because she would live with them in their house. ... Later in the Victorian period the governess becomes a truly central ...

Governess - Wikipedia

From Jane Eyre to Vanity Fair, the governess is a familiar figure in Victorian literature. She is also a strange one: not part of the family, yet not quite an ordinary servant. Kathryn Hughes focuses on the role and status of the governess in 19th-century society.

Ideals of Victorian Womanhood: Governess versus Lady

Drawing on original diaries and a variety of previously undiscovered sources, Kathryn Hughes describes why the period 1840-80 was the classic age of governesses. She examines their numbers, recruitment, teaching methods, social position and prospects. The governess provides a key to the central Victorian concept of the lady.

Victorian Gender Roles in Henry James's "The Turn of the ...

Although being a governess might be a degradation, employing one was a sign of culture and means . . . The psychological situation of the governess made her position unenviable. Her presence created practical difficulties within the Victorian home because she was neither a servant nor a member of the family.

Gambling for the Governess: A Victorian Romance (The Seven ...

First of all, before 1848, no women's colleges existed, and even if they had, a woman could not have improved her professional prospects by attending one. The precarious lifestyle of the governess remained all that a middle-class, single woman like Jane Eyre could strive for. And it does not seem too appropriate for someone as passionate as Jane.

The figure of the governess - The British Library

Governesses in Victorian Literature Towards the end of the 19th century, the role of the governess started to be noticed in literature. In Charlotte Bronte's Jane Eyre, the titular character of Jane Eyre described the shackles governesses were bound by and the only freedom they could get from the societal status was marrying above them.

Governess during Victorian Era: Their duties & role

The governess occupied a uniquely awkward position in the Victorian household, because she was neither a servant nor yet a member of the host family. She worked in the upper-class home of the landed gentry or aristocracy. She herself had a middle-class background and education, yet was paid for her services.

The Governess: Caught Between Children and Adults

The figure of the governess . From Jane Eyre to Vanity Fair, the governess is a familiar figure in Victorian literature. She is also a strange one: not part of the family, yet not quite an ordinary servant. Kathryn Hughes focuses on the role and status of the governess in 19th century society.

The Governess - The British Library

While the current governess had doubts about the intentions of Miss Jessel's ghost, the children's good condition upon the governess's acceptance of the position shows that Miss Jessel performed her job well. While the females in the novella mirrored Victorian women, the men opposed Victorian gentlemen.

The Role of the Governess in Victorian Society | COVE

A governess occupied a unique position in a Victorian household. She was neither servant, nor family member. She existed in a sort of in-between world which often left her feeling isolated and alone. To combat this, the young governess was advised to cultivate a tolerance for solitude. Author Susan ...
