*Memorandum of Understanding – African Risk Capacity
These key questions are explored in The Government of Risk. This book looks at a number of risk regulations regimes, considers the respects in which they differ, and examines how these differences can be explained. Analysing regulation in terms of 'regimes' allows us to see the rich, multi-dimensional nature of risk regulation.*

BOOK REVIEW: The Government of Risk: Understanding Risk ...

With The Government of Risk: Understanding Risk Regulation Regimes, Professors Christopher Hood (University of Oxford), Rothstein (King's College London) and Robert Baldwin (London School of Economics) were among the first regulatory scholars to systematically explore the evolution and growth of risk regulation since the 1990s. They seek to understand why there is so much variety in how risks are regulated across and within policy domains.
