The Great Work: Our Way into the Future Essay Example ...

Each age has its "great work" according to Berry. The classical period introduced ideas of reason, democracy and philosophy into human consciousness. The medieval period raised great cathedrals, the age of discovery opened lines of travel and communication around the world, but our technological power and its impact on the environment has made a new "great work" essential for the human species.

The Great Work | Gnostic Warrior

The Great Work: Our Way into the Future. He reminds society of its function, particularly the universities and other educational institutions whose role is to guide students into an appreciation rather than an exploitation of the world around them. Berry is the leading spokesperson for the Earth, and his profound ecological insight illuminates...
