In his new book The Gridlock Economy: How Too Much Ownership Wrecks Markets, Stops Innovation,

## Online Library The Gridlock Economy How Too Much

Ownership Wrecks Markets and Costs Lives, Heller reveals a free market paradox: usually, private ownership creates wealth, but too much ownership has the opposite effect – it creates gridlock. When too many people own pieces of one thing, cooperation breaks down, wealth disappears and everybody loses.

### **Gridlock Economy: How Too Much Ownership Wrecks Markets ...**

Usually, private ownership creates wealth, but too much ownership has the opposite effect—it creates gridlock. When too many people own pieces of one thing, whether a physical or intellectual resource, cooperation breaks down, wealth disappears, and everybody loses.

### **The Gridlock Economy: How Too Much Ownership Wrecks ...**

In the end, the unhealthy situation of the industry can be hardly improved by the market leaders themselves. In the business as in traffic, when gridlock happens, an industry is unable to function at a healthy level, which can be highly problematic and costly. Not only in an industry, gridlock can also
