traditions. European nationalism, in its modern sense, was born out of the desire of a community to assert its unity and independence.

Growth of Nationalism in Europe - History Discussion

The legacy of early modern developments created subtler but equally enduring divisions, even in countries that could boast near-universal literacy in 1800. As late as 1921, 30% of Finland's people could not read and write, an achievement inferior to the rate in Italy at that time. 42 The legacies of early modern literacy are still with us today.
