Nevertheless, The Hacking of the American Mind has the potential to clarify and rearrange some core elements of our cultural self-image. The book already un-hacked my mind quite effectively. If there is a way to give higher praise, I don't know it.

### Opinion | The Hacking of America - The New York Times

Disclaimer: My copy of The Hacking of the American Mind is an "uncorrected advance proof" expected to be a little short of the book's final published form. This is evident in that every chapter contains at least a few instances of grammatical confusion in desperate need of an editor which I'm presuming will be mostly cleaned up by the book's final publication (so I mostly ignore them here).
