Janet Carsten offers an original and very personal investigation of the nature of kinship in Malaysia, based upon her own experience of life as a foster daughter in a family on the island of Langkawi. She shows that Malay kinship is a process, not a state: it is determined partly by birth, but also throughout life by living together and sharing food.

Question about heat shield | Hearth.com Forums Home

The heat output of the fire was no longer reliant upon its size. As already mentioned the chimney made it possible to reposition the fireplace from the centre or corner of the room to the wall whilst the increase in radiant heat meant the space beyond the immediate front of the fire would be heated.
