History of the motion picture - The Hollywood studio system

The studio system (which was used during a period known as the Golden Age of Hollywood) is a method of film production and distribution dominated by a small number of "major" studios in Hollywood. Although the term is still used today as a reference to the systems and output of the major studios, historically the term refers to the practice of large motion picture studios between the 1920s and ...

Sight & Sound November 2020 - shop.bfi.org.uk

After years spent in obscurity, the actress Louise Brooks reinvented herself as a writer in the late 1950s, penning a number of sharp articles about Hollywood - many of them for Sight & Sound. In this brilliantly astringent piece, she takes aim at the studio bosses for their calculated sidelining of two of the silent era's greatest stars.

The Hollywood Studio System Bfi

The Studio System was a big part of the success of Classic Hollywood. It was a system that made sure that the biggest studios in Hollywood were in total control of the movies they made and that the movies would be distributed. The biggest studios at that time were divided in two groups.

Pre-Code: Hollywood before the censors | Deep focus ... - BFI

The factory-style movie production of the Hollywood studios was fast unravelling and its end was hastened by the advent of a technology that threatened the dominance of movies as America's premier form of entertainment - television. Television was a just another symptom rather than a prominent cause of the downfall of the studio system.

Sight & Sound: the December 2020 issue | Sight & Sound

He became an expert at working the Hollywood studio system to his advantage, didn't he? That's right. In the book, I chronicle how Hollywood and Mason played the game together, brokered by Hollywood talent agencies. Key years were 1950-56. Mason negotiated strongly with a series of studios, including MGM.
