The Holy Innocents - Wikipedia

Gilbert Adair wrote The Holy Innocents a few years ago (which I haven't read). When Bertolucci wanted to film it, Adair wrote the screenplay and rewrote the novel as The Dreamers, although in an epilogue he explains that the book and film are deliberately different. It's a quick read (borderline novella), but twisted and interesting.

The best part about this edition is that it is the author's original version. For a completest, this is a necessary read.

Adair's award-winning novel "The Holy  
Innocents" was always described as his "first  
novel" which, in my view, disrespects this  
Peter Pan adventure and its predecessor  
"Alice Through the Needle's Eye" - excellent  
novels, both; and both published prior to  
that first adult novel.
