History - The Honourable Company of Master Mariners

Honourable Artillery Company, the most senior regiment of the British Army and probably the oldest regiment in the world. It is privileged to fire royal salutes from the Tower of London and to provide guards of honour in the City of London for royal visitors. Its headquarters are in the City of London. The history of the company goes back to a charter of incorporation granted by Henry VIII ...

The Honourable Company: A History of the English East ...

The Honourable Company was remembered, if at all, only as an anomalous administrative service; and that was indeed what it had become in the early nineteenth century. But before that, for all of 200 years, its endeavours were seen as having been primarily commercial, often with a tinge of piracy, but never 'honourable'.

The Honourable Company: a History of the English East ...

The company wanted stability to gain its profits, but didn't have the political power to always make sure. This book details the internal company struggles to maintain its monopoly against foreign interlopers. The long history of this company shows the gradual entanglement of the company with the British state.

The Honourable Company - John Keay - Google Books

The title of Honourable had only ever previously been bestowed on two other companies: the Honourable East India Company and the Honourable Artillery Company. The Honourable Artillery Company continues today as a territorial regiment in the British Army, whereas the Honourable East India Company was stripped of its administrative powers over India in 1858 before being dissolved by Act of Parliament.

East India Company - Wikipedia

1744 Honourable Company of Edinburgh Golfers. In 1744, a committee of the Gentlemen Golfers of Edinburgh drafted the first 13 rules of golf to compete for a silver golf club, presented by the City of Edinburgh, over Leith Links. John Rattray, a physician and champion archer, was elected captain and was declared 'Captain of the Golf' on 2nd April 1744.

THE HONOURABLE COMPANY: A History of the English East India Company User Review - Kirkus. From a British specialist in Asian affairs, this is comprehensive, fact-choked history of the English East India Company, which went to India to trade and founded an empire—the British Empire.

The Honourable Company History Of

A relaxed narrative history of the English East India Company from the beginnings until between 1800 and 1830ish, reading it I thought I was going to write that it takes a while to get going, but by the time I finished I realised that it never did, rather like a stately Eastindiaman just bobbed up and down in the Thames a little in the swells of the current.

Amazon.com: The Honourable Company (9780006380726): Keay ...

The Company was established as a Guild in 1929 in order to ensure that pilots and navigators of the (then) fledgling aviation industry were accepted and regarded as professionals. From the beginning, the Guild was modelled on the lines of the Livery Companies of the City of London, originally established to protect the interests and standards of those involved in their respective trades.
