horticultural information about the unusual hop plant and the mysterious resins it produces that give beer a distinctively bitter flavor, and includes an overview of the numerous native, heirloom, and modern varieties of hops and their purposes.

THE HOP GROWERS HANDBOOK - Kalvsved Gårdsbutik

become punitive by the mid-1860's. By the 1880's, North Saanich hop growers were producing enough hops to satisfy the needs of local brewers. So good was the yield that they were able to supply foreign brewers as well, who were faced with crop failures in their countries. Profits were good and the future for BC hops looked bright.
