The Infinite Game by Simon Sinek | Simon Sinek

The Infinite Game is a book by Simon Sinek published in 2019. The book is an application of ideas from James P. Carse's similarly titled book, *Finite and Infinite Games*, to the domain of business and organizational structure. Sinek begins by summarizing Carse's distinction between two different types of games: finite games which are played for the purpose of ending play consistent with static rules, and infinite games which are played for the purpose of continuing play. Sinek ...
