Brian Selznick | The Invention of Hugo Cabret  
Based on Brian Selznick's book The Invention of Hugo Cabret, it tells the story of a boy who lives alone in the Gare Montparnasse railway station in Paris in the 1930s. Hugo is Scorsese's first film shot in 3D, about which the filmmaker remarked, "I found 3D to be really interesting, because the actors were more upfront emotionally. Their slightest move, their slightest intention is picked up much more precisely."

Hugo (2011) - IMDb

What made the experience of listening to The Invention of Hugo Cabret the most enjoyable? It's a quick listen but well worth the credit. Although it is a children's story and simple in its construction, it has a nice flow and strong character development. I fully enjoyed to escape into this little world and follow Hugo through his escapades.

The Invention of Hugo Cabret (Audiobook) by Brian Selznick ...

The Invention of Hugo Cabret is not exactly a novel, and it's not quite a picture book, and it's not really a graphic novel, or a flip book, or a movie, but a combination of all these things. Each picture (there are nearly three hundred pages of pictures!) takes up an entire double page spread, and the story moves forward because you turn the pages to see the next moment unfold in front of you.
