When grouping author names under a unique author identifier number, Scopus takes into consideration last name variations, all possible combinations of first and last names, and the author name with and without initials.

THE KLIPFISH CODE | Kirkus Reviews

Mary was fortunate to be able to travel to Norway to do some firsthand research into the history, culture, and geography of the islands that provide the backdrop for The Klipfish Code. Take a look at the slideshow below to see some of the sights that Mary and her family found during their Norwegian adventure.

List of authors by name: A - Wikipedia

Mary Austin was a woman who was the love and inspiration of one of Great Britain's biggest celebrities. But she never tried to use that for her own personal gain or to take advantage of others. She grew up in a struggling working-class home in West London, where her father worked as a hand-trimmer for a wallpaper specialist and her mother was a maid.

Mary Jane Seacole (née Grant; 23 November 1805 – 14 May 1881) was a British-Jamaican business woman and nurse who set up the "British Hotel" behind the lines during the Crimean War. She described this as "a mess-table and comfortable quarters for sick and convalescent officers", and provided succour for wounded servicemen on the battlefield. Coming from a tradition of Jamaican and West ...

The author of the Anastasia books as well as more serious fiction (Rabble Starkey, 1987) offers her first historical fiction—a story about the escape of the Jews from Denmark in 1943. Five years younger than Lisa in Carol Matas' Lisa's War (1989), Annemarie Johansen has, at 10, known three years of Nazi occupation. Though ever cautious and fearful of the ubiquitous soldiers, she is largely ...
