The Knowledge Business: The Commodification of Urban and ...
Commodification has impacted the business environment in different ways. Capitalism allows entities or individuals to own anything at all - from physical goods to ideas - which led to introduction of intellectual property laws. While the laws has a scope to protect the owner, the owner has the right or possibility to trade its asset.

15 Examples of Commodification - Simplicable
This entry presents an analysis of the commodification of knowledge and information in contemporary capitalism. We provide a consistent account of how information as a commodity effects the workings of both capitalism and of Marxist theory. The first part of the chapter critically revisits Marx's own writings on the commodification of knowledge and how the immaterial labor hypothesis ...

The commodification of knowledge can be witnessed in the imitation of the developed countries across many areas : academia, governance, business, economy, lifestyle, architecture, fashion industry and many other sectors. The same process happens in many other developing (postcolonial) regions and countries.

The Commodification of Academic Research: Science and the ...
Commodification is the process by which something becomes a commodity. A commodity has two primary characteristics: it has a market price and is undifferentiated. Commodification is associated with the creation of markets for things such that they are bought and sold at a market price.It is also associated with a breakdown of differentiation whereby things that were viewed as unique are viewed ...
