### Changing employment structures over time - Characteristics ...

For over a half century, American manufacturing has dominated the globe. It turned the tide in World War II and hastened the defeat of Nazi Germany; it subsequently helped rebuild Europe and Japan; it enabled the United States to outlast the Soviet empire in the Cold War. At the same time, it met all the material needs of the American people. During this period, many American icons were born.

### Ch. 15 Flashcards | Quizlet

The Decline of the West (German: Der Untergang des Abendlandes), or The Downfall of the Occident, is a two-volume work by Oswald Spengler. The first volume, subtitled Form and Actuality, was published in the summer of 1918. The second volume, subtitled Perspectives of World History, was published in 1922. The definitive edition of both volumes was published in 1923.
