How to Implement Game-Based Learning in the Classroom
Game-based integration strategies vary depending on the educator ' s philosophy of teaching, the unique abilities of the learners involved, the needs of the instructional program, and available resources. Some new practitioners of game-based learning may have difficulty conceptualizing how games are used during instruction.

The Learning Game A Teachers
We are all caught up in our children's lives. We all remember our own schooldays and, as parents, we watch anxiously as our children go through it. As we look at the world of teaching from the outside we wonder not only what is going on but what we can do to help. Jonathan Smith, a born teacher and ...
