The Making Of Americans Gertrude
The Making of Americans: Being a History of a Family's Progress is a modernist novel by Gertrude Stein. The novel traces the genealogy, history, and psychological development of members of the fictional Hersland and Dehning families. Stein also includes frequent metafictional meditations on the process of writing the text that periodically overtake the main narrative.

The Making of an American - The Paris Review
Gertrude Stein (February 3, 1874 – July 27, 1946) was an American novelist, poet, playwright, and art collector. Born in the Allegheny West neighborhood of Pittsburgh and raised in Oakland, California , Stein moved to Paris in 1903, and made France her home for the remainder of her life.

Gertrude Stein Reads from " The Making of Americans " in a ...
It is a shame that so much of Gertrude Stein's work is dismissed because of its unconventionality. Though sometimes difficult to read, Stein's writing has a lyrical quality about it unparalleled by the work of other writers. The Making of Americans is probably one of her best, and well worth the effort it might take to read it.
