The Managed Heart Commercialization of Human Feeling ...

"The Managed Heart is written so accessibly that it appeals to both the academic and the general reader."—Gail Sheehy, New York Times Book Review "Perceptive study of 'emotional labor'—jobs like those of [flight attendants], in which workers are trained to use emotion as actors do, but who...often end up unsure of what they really feel."—

The Managed Heart: Commercialization of Human Feeling by ...

Exploring the Managed Heart. In the opening chapter, Hochschild introduces the idea of emotional labor

by comparing the experience of a flight attendant to the child factory laborer described in Marx's Das Kapital. By starting with this example, Hochschild is contrasting between these two kinds of labor while also pointing out how the flight ...

Arlie Russell Hochschild (/ ? h o ? k ? ? l d /; born January 15, 1940) is an American professor emerita of sociology at the University of California, Berkeley and writer. Hochschild has long focused on the human emotions which underlie moral beliefs, practices, and social life generally.

The Managed Heart: Commercialisation of Human Feeling

We bow to each other not simply from the waist, but from the heart. But what occurs when emotion work, feeling rules, and the gift of exchange are introduced into the public world of work? In search of the answer, Arlie Russell Hochschild closely examines two groups of public-contact workers: flight

attendants and bill collectors.
