The Military Maxims Of Napoleon

Until the fall of Napoleon, politico-military history had had for many centuries but a single remarkable work; that of Frederick the Great, entitled History of my time.*5 This species, which demands at the same time an elegant style and a vast and profound knowledge of history and politics, requires also a military genius sufficient for judging ...

Jomini: The Present Theory of War and Its Utility

Divide and rule policy (Latin: divide et impera), or divide and conquer, in politics and sociology is gaining and maintaining power by breaking up larger concentrations of power into pieces that individually have less power than the one implementing the strategy. [citation needed]The use of this technique is meant to empower the sovereign to control subjects, populations, or factions of ...
