An excerpt from the animated film "American Dream"

The History of the Man-Made Invention of Money

The invention of money took place before the beginning of written history. Consequently, any story of how money first developed is largely based on conjecture and logical inference. The significant evidence establishes many things were bartered in ancient markets that could be described as a medium of exchange.

The Money of Invention: How Venture Capital Creates New ...

None of the grant money can be used for expenses that might have ties to commercial activity. Torrent had tried to make a clear distinction between the two areas and had raised additional money from North Bridge Venture Partners, a prominent Boston-based venture fund, to cover the project's other costs (including commercial activities).

The money of invention

A trip to a country where the fiction that is money completely fell apart. And in this same country, through a truly incredible piece of policy making, the government tricked a 150,000,000 people into believing their money had value again.

Living Stingy: The Greatest Invention - MONEY

Money Travels. Banks and the ruling classes started buying currencies from other nations and created the first currency market. The stability of a particular monarchy or government affected the value of the country's currency and the ability for that country to trade on an increasingly international market.

History of money - Wikipedia

The short-lived Yuan Dynasty printed increasing amounts of the currency, leading to run-away inflation. This problem was unresolved when the dynasty collapsed in 1368. Although the succeeding Ming Dynasty (1368 - 1644) also began by printing unbacked paper money, it suspended the program in 1450.

Who Invented Money? | Wonderopolis

To solve that problem, humans developed what is called commodity money. A commodity is a basic item used by almost everyone. In the past, items such as salt, tea, tobacco, cattle, and seeds were commodities and therefore were once used as money. However, using commodities as money had other problems.
