I found Cesare Pavese's "The Moon and the Bonfire" to be too slow moving and consequently not terribly interesting.

Every time I picked it up, I completely forgot what the book was about until I

Cesare Pavese was born in a small town in which his father, an official, owned property. He attended school and later, university, in Turin. Denied an outlet for his creative powers by Fascist control of literature, Pavese translated many 20th-century American writers in the 1930s and '40s: Sherwood Anderson, Gertrude Stein,
