has been writing a public memo every few months that is widely read by many investors. The Most Important Thing is a “best of” his letters with some additional color added.

## **Book Review: Billionaire Howard Marks' 'The Most Important ...**

The most important thing is the relationship between price and value. Investors psychology can cause a stock price to be mis-priced. In the short run, investing is more like a popularity contest. The most dangerous time to buy an investment is at the peak of its popularity.
