The Illustrated Encyclopedia of Aircraft was a weekly partwork magazine by Aerospace Publishing (an imprint of Orbis Publishing) that was published in the United Kingdom (and sold in other countries too) in the early 1980s. The magazine was intended to eventually make up a multi-volume encyclopedia dedicated to aviation.

I know much of this information is now on the web for free but the great illustrations and the organization that the Encyclopedia has can only be experienced in a print format. Yes for the quick fact look up the web is better, but for someone looking to explore the Tolkien world as a whole this is a great reference resource.
