LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The One Minute Manager Meets the Monkey - Ken Blanchard ...

The One Minute Manager Review I haven't read the full book yet, but since it's really short, I think there's not much more to it than I've described here. What makes the book more powerful than the mere facts, though, is that it tells a story, in which a manager slowly finds out about the power of one minute management.
