List of books and articles about Political Science ...

Political science is a social science which deals with systems of governance, and the analysis of political activities, political thoughts and political behaviour. It deals extensively with the theory and practice of politics which is commonly thought of as determining of the distribution of power and resources.

The Online Book Of Political

Political books sometimes dive a little deeper into policy and single aspects of the system. Public affairs books such as Healthcare Reform Checklist have a meaningful proposal for reforming the healthcare systems in the west. The book uses case studies from Germany and Eastern European countries to back up proposals.

The Best Books on Political Philosophy | Five Books Expert ...

In this, his most influential work, legal theorist and political philosopher Carl Schmitt argues that liberalism's basis in individual rights cannot provide a reasonable justification for sacrificing oneself for the state. This edition of the 1932 work includes the translator's introduction (by George Schwab) which highlights Schmitt's intellectual journey through the turbulent period of ...
