Reconciliation of Freedom and Order a Continuing Problem. Man's political problem remains forever the same: the reconciliation of freedom and order. The uniquely American solution to this tension between freedom and order has been federalism, blending as it does these two contradictory elements, both so necessary for a creative society.

**The Origins Of Political Order**

The Origins of Political Order: From prehuman times to the French Revolution is a 2011 book by political economist Francis Fukuyama about what makes a state stable. It uses a comparative political history to develop a theory of the stability of a political system. According to Fukuyama, a stable state needs to be modern and strong, to obey the rule of law governing the state and be accountable.
