Roman Era Italians eventually came to speak a common Latin language, yet they had diverse origins. Also, Franks in France came from further east and in a few decades spoke the same Romance dialect of the Gallo-Romans. And some time later the Normans came from Scandinavia and also threw their Norse language out and came to speak French ...

The northernmost Anglo-Saxon kingdom was Bernícia—this kingdom crossed over into what is now southern Scotland. Anglo-Saxon sources, such as Bede's Ecclesiastical History of the English People, written in 731, emphasise the Anglo-Saxon origins of Bernícia. Certainly, the ruling elite of Bede's day were culturally Anglo-Saxon.
