The Oxford handbook of developmental psychology (Book ...

This handbook is currently in development, with individual articles publishing online in advance of print publication. At this time, we cannot add information about unpublished articles in this handbook, however the table of contents will continue to grow as additional articles pass through the review process and are added to the site.

The Oxford Handbook of Developmental and Life-Course ...

Developmental studies in criminology focus on

psychological factors that influence the onset and persistence of criminal behavior, while life-course studies analyze how changes in social arrangements, like marriage, education, or employment, can lead to changes in offending. Though both perspectives are clearly concerned with patterns of offending and problem behavior over time, the literature ...
